Compliance with Provisions of Executive Order 9835 (Federal Employees Loyalty Program)

461

1. Reference is made to your memorandum of April 16, 1948, concerning the above subject.

2. This is to advise that the names and fingerprints of all open employees of the Office of Special Operations have been checked against the records of the FBI since May of 1946. Some of the names of currently employed open OSO personnel have not been returned to this office with whatever information is contained in FBI files concerning them. However, all such OSO personnel are at least in the process of being checked.

3. You are also advised that all future open OSO employees will have their names and fingerprints checked against the files of the FBI.
